

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 4, 2019

Mr. James Kopp
Assistant City Attorney
City of San Antonio
315 South Santa Rosa, 6th Floor
San Antonio, Texas 78207

OR2019-14649

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768768 (ORR# W256265).

The City of San Antonio (the "city") received a request for case number SAPD18143605. We understand the city will redact public citizens' dates of birth pursuant to Open Records Letter No. 2016-08566 (2016).¹ The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section

¹Open Records Letter No. 2016-08566 authorizes the city to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office.

772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. The city states it is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the city must withhold the telephone numbers it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone numbers provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.218.

Section 552.101 of the Government Code also encompasses information protected by section 730.004 of the Transportation Code, which provides “an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record.” Transp. Code § 730.004. “Personal information” means “information that identifies a person,” and includes a person’s photograph, social security number, driver identification number, name, address but not zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Texas Department of Public Safety (“DPS”) is an “agency” for purposes of chapter 730. *See id.* § 730.003(1) (“agency” is state agency that compiles or maintains motor vehicle records). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). Upon review, however, we find the information the city marked is not confidential under section 730.004 or 730.013 of the Transportation Code and the city may not withhold the information under section 552.101 of the Government Code on that basis.

We note some of the remaining information is subject to section 552.130 of the Government Code.² Section 552.130 provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov’t Code* § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must withhold the telephone numbers it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).*
