

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 4, 2019

Ms. Clarissa Orona
Office Assistant
City of Dallas
1500 Marilla Street, Room 3FN
Dallas, Texas 75201

OR2019-14699

Dear Ms. Orona:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768892 (ORR Nos. C002344-031419 and C002359-031419).

The City of Dallas (the "city") received two requests from different requestors for information relating to proposals and the contract for the South Dallas/Fair Park Public Improvement District. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Fair Park Conservancy, Inc.; Fair Park Texas Foundation; In The City For Good, Inc.; Lazarus Foundation; and South Side Quarter Development Corporation. Accordingly, you state, and provide documentation showing, you notified these interested third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See Gov't Code* § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code* § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any

interested third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any interested third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest any interested third party may have in the information. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Kelly McWethy
Assistant Attorney General
Open Records Division
