ATTORNEY GENERAL OF TEXAS

Ms. Samantha Courtney  
Hood County Sheriff's Office  
400 Deputy Larry Miller Drive  
Granbury, Texas 76048

OR2019-14720

Dear Ms. Courtney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 769512.

The Hood County Sheriff's Office (the "sheriff's office") received a request for information related to a specified incident.<sup>1</sup> The sheriff's office states it is releasing some of the requested information. The sheriff's office claims some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code.<sup>2</sup> We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Initially, we must address the sheriff's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request

---

<sup>1</sup>As the sheriff's office has not submitted a copy of the request for information, we take our description from its brief.

<sup>2</sup>Although the sheriff's office does not raise section 552.101 of the Government Code in its brief, we understand the sheriff's office to raise this exception based on its markings. Further, although the sheriff's office does not cite to section 552.108 of the Government Code in its brief, we understand the sheriff's office to raise this exception based on the substance of its argument.

(1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The sheriff's office received the request for information on March 27, 2019. However, as of the date of this letter, the sheriff's office has not submitted a copy of the written request for information. Accordingly, we conclude the sheriff's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The sheriff's office claims sections 552.101, 552.108, and 552.130 of the Government Code for the submitted information. Because sections 552.101 and 552.130 can provide compelling reasons to overcome the presumption of openness, we will address the sheriff's office's arguments under these exceptions against release of the submitted information. However, we find the sheriff's office has failed to establish a compelling reason to address its remaining claimed exception.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information it marked and the additional motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the motor vehicle record information it marked and the additional motor vehicle record information we marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information.
