Ms. Katheryne Ellison
Assistant General Counsel
Houston Independent School District
4400 West 18th Street
Houston, Texas 77092-8501

OR2019-14906

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 769238 (ORR# L031819).

The Houston Independent School District (the "district") received a request for information pertaining to named individuals.¹ The district claims the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.²

The United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, does not permit state and local educational authorities to

¹The district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

disclose to this office, without parental consent,, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.³ Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in form, that is, in a form in which “personally identifiable information” is disclosed. *See* 34 C.F.R. § 99.3 (defining “personally identifiable information”). The district has submitted, among other things, education records for our review. Because our office is prohibited from reviewing these education records to determine whether appropriate redactions under FERPA have been made, we will not address the applicability of FERPA to any of the submitted records. Such determinations under FERPA must be made by the educational authority in possession of the education records.⁴

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency possesses information relating to a pending case of a law enforcement agency, the non-law enforcement agency may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and provides this office with a representation from the law enforcement agency that wishes to withhold the information. The district has submitted correspondence from the United States Department of Justice objecting to the release of the submitted information because it pertains to a pending criminal investigation. Based on these representations, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the district may withhold the submitted information on behalf of the United States Department of Justice under section 552.108(a)(1) of the Government Code.⁵ This ruling

⁴In the future, if the district does obtain parental consent to submit education records and the district seeks a ruling from this office on the proper redaction of those education records in compliance with FERPA, we will rule accordingly.

⁵As our ruling is dispositive, we do not address the other argument of the district to withhold this information.

does not address the applicability of FERPA to the submitted information. Should the district determine that all or portions of the submitted information consist of "education records" that must be withheld under FERPA, the district must dispose of that information in accordance with FERPA, rather than the Act.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
