Ms. Ana Vieira Ayala
Assistant General Counsel
The University of Texas System
210 West 7th Street
Austin, Texas 78701-2901

OR2019-14912

Dear Ms. Ayala:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 769091 (OGC# 189642).

The University of Texas at Austin (the "university") received a request for electronic communications regarding specified topics. You state the university is releasing some information. You state the university is withholding confidential student records pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.²

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code exempts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 51.971 of the Education Code, which provides, in pertinent part, the following:

(a) In this section:

(1) “Compliance program” means a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies, including matters of:

(A) ethics and standards of conduct;

(B) financial reporting;

(C) internal accounting controls; or

(D) auditing.

(2) “Institution of higher education” has the meaning assigned by Section 61.003.

...

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(a), (e)(1). You inform us the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2); *see also id.* § 61.003(8). You state the submitted information pertains to an ongoing compliance investigation conducted by the university’s Office of Vice President for Legal Affairs concerning allegations of misconduct involving university employees. Further, you state the matters under investigation pertain to standards of conduct of university employees. Based upon these representations, we find the information at issue relates to an investigation conducted under the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a)(1). You also represent the information at issue was collected or produced in the ongoing compliance investigation and release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
