Ms. Jo Ann Pate  
Assistant City Attorney  
City of Fort Worth  
200 Texas Street, Third Floor  
Fort Worth, Texas 76102

OR2019-15418

Dear Ms. Pate:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 777298 (ORR# W084637).

The Fort Worth Police Department (the "department") received a request for information related to two specified incidents. The department states it has released criminal history record information ("CHRI") related to the submitted report pursuant to section 411.087(a)(2) of the Government Code. *See* Gov't Code § 411.087(a)(2) (entity authorized by chapter 411, subchapter F of Government Code to obtain CHRI maintained by the Texas Department of Public Safety ("DPS") that relates to another person is authorized to obtain CHRI from any other criminal justice agency in this state that relates to the person); *see also id.* § 411.089 (criminal justice agency entitled to obtain from DPS any CHRI maintained by DPS about a person). The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note the department has not submitted information related to one of the specified incidents. To the extent any such responsive information existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a),

.302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the department. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The department does not indicate it has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
