Dear Ms. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767801.

The Crosby Independent School District (the "district"), which you represent, received a request for the names, corresponding school, and current position of the individuals who applied for a specified district position. Although the district takes no position as to whether the submitted information is excepted under the Act, the district states release of the submitted information may implicate the privacy interests of fifty-eight applicants. Accordingly, the district states, and provides documentation showing, it notified the applicants of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released.¹ See Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). As of this date, we have received no comments from any third party. As no exceptions to disclosure have been raised, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹As of the date of this letter, this office has not received comments from any third party explaining why any of the submitted information should not be released.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
