

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 12, 2019

Ms. Roberta B. Cross
Township Attorney
The Woodlands Township
2801 Technology Forest Boulevard
The Woodlands, Texas 77381

OR2019-15707

Dear Ms. Cross:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768188 (ORR# PIR03272019-01).

The Woodlands Township (the "township") received a request for a specified incident report. The township claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part, the following:

- (a) A communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(a)-(b). The submitted information does not contain a communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient. *See id.* § 773.091(a). It also does not contain a record of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that was created by the emergency medical services personnel or physician or maintained by an emergency medical services provider. *See id.* § 773.091(b). Accordingly, none of the information is confidential under section 773.091, and the township may not withhold it under section 552.101 of the Government Code on that ground.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in the *Industrial Foundation* decision. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find some of the submitted information, which we have marked, satisfies the standard articulated by the Texas Supreme Court in the *Industrial Foundation* decision. Accordingly, the township must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The township must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
