ATTORNEY GENERAL OF TEXAS

June 13, 2019

Mr. Ben Pape
Senior Director for Business Services
Galena Park Independent School District
14705 Woodforest Boulevard
Houston, Texas 77015

OR2019-15973

Dear Mr. Pape:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 770729.

The Galena Park Independent School District (the "district") received a request for information pertaining to a contract with Waste Connections of Texas ("WCT").¹ The district does not take a position as to whether the submitted information is excepted from disclosure under the Act. However, the district states, and provides documentation showing, it notified WCT of the district's receipt of the request for information and of WCT's right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, WCT has not submitted to this office any reasons explaining why the requested information should not be released. Accordingly, we have no basis for concluding the submitted information constitutes proprietary information

¹The district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified).

of that third party, and the district may not withhold any portion of it on that basis. *See* Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b). Thus, the district must withhold the submitted account number under section 552.136 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

James L. Coggeshall
