OR2019-16019

Dear Ms. Denholm:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 770542 (Reference No. 76904).

The Arlington Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we must address the department’s obligations under the Act. Section 552.301 prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See Gov’t Code*. § 552.301(b). The department received the request for information on March 21, 2019. You do not inform us the department was closed for any business days between March 21, 2019, and April 4, 2019. Accordingly, the ten-business-day deadline for requesting a ruling from this office was April 4, 2019. The envelope in which the department submitted to this office the information required by section 552.301(b) was post-marked April 5, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The department claims section 552.108 of the Government Code for the submitted information. Because section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue.² However, we find you have failed to establish a compelling reason to address the exception you claim.

¹As we are able to make this determination, we need not address your argument against disclosure of this information.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130.* We note, because section 552.130 protects privacy interests, the requestor has a right of access to her clients' motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) ("person or a person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); ORD 481 at 4 (privacy theories not implicated when individual requests information concerning herself). Therefore, with the exception of any motor vehicle record information that belongs to the requestor's clients, the department must withhold the motor vehicle record information we marked and all audible and visible license plate information in the video recordings at issue under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. With the exception of any motor vehicle record information that belongs to the requestor's clients, the department must withhold the motor vehicle record information we marked and all audible and visible license plate information in the video recordings at issue under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Kieran Hillis
