Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 770613 (Reference# P030724-032619).

The City of Lewisville (the "city") received a request for fourteen categories of information pertaining to a specified accident. You state the city will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. The submitted recordings reflect they were required to be made by the law or the policies of the department and relate to a law enforcement purpose. *See id.* § 1701.661(h). We note, however, section 1701.661(c) and section 1701.661(d) provide:

(c) Except as provided by Subsection (d), information recorded by a body worn camera and held by a law enforcement agency under this subchapter is not subject to the requirements of Section 552.021, Government Code.

(d) Information that is or could be used as evidence in a criminal prosecution is subject to the requirement of Section 552.021, Government Code.

*Id.* § 1701.661(c)-(d). You state the submitted recordings pertain to a vehicular accident on private property, no citation was issued to either party, and no crash report was completed. Based on your representations and our review, we agree the submitted body worn camera recordings are confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 1701.661(c) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
