ATTORNEY GENERAL OF TEXAS

Ms. Caitlin Sedano  
Administrative Assistant  
City of Harker Heights  
402 Indian Trail  
Harker Heights, Texas 76548

OR2019-16415

Dear Ms. Sedano:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 771257 (Reference No. 18HH042854).

The Harker Heights Police Department (the "department") received a request for information pertaining to a specified incident. You state the department will release some of the requested information upon receipt of proper payment. The department states it does not have some of the requested information.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note portions of the submitted information are subject to article 2.1396 of the Code of Criminal Procedure, which provides,

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

---

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

- (1) the stop;
- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person's breath or blood is taken.

Crim Proc. Code art 2.1396. The submitted information includes video recordings made by or at the direction of officers employed by the department that contain footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 (person commits offense if person is intoxicated while operating motor vehicle in public place). Thus, the requestor is entitled to receive these portions of the video recordings pursuant to article 2.1396 of the Code of Criminal Procedure. Although you seek to withhold the information at issue under section 552.108 of the Government Code, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory right of access under article 2.1396 prevails. Therefore, the department may not withhold any portion of the video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken under section 552.108 of the Government Code. Accordingly, the department must release any portion of the video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken pursuant to article 2.1396 of the Code of Criminal Procedure. However, we will address your arguments against disclosure of the remaining information.

Next, we note the remaining information includes a magistrate's warning subject to section 552.022(a)(17) of the Government Code. Section 552.022(a)(17) provides for required public disclosure of "information that is also contained in a public court record[.]" unless it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, this exception is discretionary in nature and does not make information confidential under the Act. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the department may not withhold the information subject to section 552.022(a)(17) under section 552.108 of the Government Code. Accordingly, the department must release the submitted court-filed document we marked pursuant to section 552.022(a)(17) of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information. Accordingly, we find the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release any portion of the video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor’s blood or breath is taken pursuant to article 2.1396 of the Code of Criminal Procedure. The department must release the submitted court-filed document we marked pursuant to section 552.022(a)(17) of the Government Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.
