Mr. Alexander Garcia
Assistant City Attorney

PO Box 9277

OR2019-16989

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 771432 (CCPD File No. STre1).

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. The submitted information consists of a video recording from a department police officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review, we find the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the submitted body worn camera recording. We understand the recording at issue was required to be made by law or the policies of the department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recordings is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). However, section 1701.661(f) provides:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the recording at issue is a body worn camera recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state the department does not have written authorizations for release from the subjects of the recording. *See id.* § 1701.661(f). Accordingly, the submitted body worn camera recording is confidential and must be withheld its entirety under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.
