ATTORNEY GENERAL OF TEXAS

June 24, 2019

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2019-17203

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 771660 (ORR# W258477).

The City of San Antonio (the "city") received a request for case number SAPD-2019-0353667. We understand the city will redact public citizens' dates of birth pursuant to Open Records Letter No. 2016-08566 (2016).<sup>1</sup> The city claims some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.152 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by chapter 411 of the Government Code, which makes confidential criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or

other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See Gov’t Code* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. We note section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the criminal justice system). Upon review, we find the Federal Bureau of Investigation (“FBI”) number we have marked consists of CHRI that is confidential under section 411.083. Thus, the city must withhold the marked FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law. However, we find the city has not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the city may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See Open Records Decision No. 649 (1996).* This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. The city states it is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the city must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the number consists of the originating telephone number furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.218.

We note some of the remaining information is subject to section 552.130 of the Government Code.<sup>2</sup> Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

The city seeks to withhold the identifying information of an undercover officer under section 552.152 of the Government Code. Section 552.152 provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

*Id.* § 552.152. The city represents the release of the undercover officer's identity would subject the officer to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identity of the undercover officer within the information at issue. Accordingly, the city must withhold the identifying information of the undercover officer, which it marked, under section 552.152 of the Government Code.<sup>3</sup>

In summary, the city must withhold the marked FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law. The city must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the number consists of the originating telephone number furnished by a 9-1-1 service supplier. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must withhold the identifying information of the undercover officer it marked under section 552.152 of the Government Code. The city must release the remaining information.<sup>4</sup>

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>3</sup>As our ruling is dispositive for this information, we need not address the remaining argument against its disclosure.

<sup>4</sup>The information being released contains a social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
