Dear Ms. Kreh:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 772192.

The City of Mansfield (the "city"), which you represent, received a request for a specified contract. The city claims the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

The submitted information is subject to section 552.022(a)(3) of the Government Code, which provides the following:

Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). Section 552.103 of the Government Code is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the city may not withhold the information at issue under section 552.103. Accordingly, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
