

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 26, 2019

Ms. Denise Frederick
City Attorney
City of Leon Valley
6400 El Verde Road
Leon Valley, Texas 78238-2399

OR2019-17478

Dear Ms. Frederick:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 772240 (ORR# 041019-D).

The City of Leon Valley (the "city") received a request for training records for a named officer and information pertaining to a specified investigation involving named officers. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted the training records for a named officer. To the extent any additional information responsive to this request existed and was maintained by the city on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the Federal Bureau of Investigation (the "FBI") has advised the submitted information relates to an ongoing criminal investigation, and release of the information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the FBI.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
