Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2019-17902

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 772682 (ORR# W260035).

The City of San Antonio (the "city") received a request for nine specified incident reports. The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's driver identification number, name, address but not zip code, and medical and disability information. *Id.* § 730.003(6). The Texas Department of Public Safety ("DPS") is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). The city states

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

some of the submitted information consists of records that were obtained by the city from DPS. *See id.* § 730.007(a)(2)(A)(i) (personal information may be disclosed to government agency in carrying out its functions). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). Accordingly, the city must withhold the driver identification numbers, names, addresses but not zip codes, and medical or disability information of the individuals in the marked information the city received from DPS under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information the city marked is not confidential under section 730.004 or 730.013 of the Transportation Code and the city may not withhold that information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. The city states it is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the city must withhold the telephone numbers it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone numbers provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.218.

Section 552.101 of the Government Code also encompasses information protected by chapter 411 of the Government Code, which makes confidential criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. *See* Gov't Code. § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the DPS maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See* Gov't Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411,

subchapter F, of the Government Code. The city informs us a portion of the remaining information, which it marked, consists of CHRI that is confidential under section 411.083. Thus, the city must withhold the information it marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

In summary, the city must withhold the driver identification numbers, names, addresses but not zip codes, and medical or disability information of the individuals in the marked information the city received from DPS under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. The city must withhold the telephone numbers it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. The city must withhold the information it marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The city must release the remaining information.
