Re: Request for case# 2019097835.

Dear Ms. Bass-Domel:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 774289.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the information you marked must be withheld from the requestor pursuant to section 552.130 of the Government Code. We agree you must withhold the marked motor vehicle record information in the submitted event report in accordance with section 552.130 of the Government Code and release the remainder of the report. You claim the video recordings must be withheld from the requestor in their entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor's client from the recording. Thus, we agree you must withhold the video recordings pursuant to section 552.130 of the Government Code.¹
