ATTORNEY GENERAL OF TEXAS

Mr. John M. Cooper  
Assistant Criminal District Attorney  
Rockwall County  
1111 East Yellowjacket Lane, Suite 201  
Rockwall, Texas 75087

OR2019-18093

Dear Mr. Cooper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 773157.

The Rockwall County Criminal District Attorney's Office and the Rockwall County Sheriff's Office (collectively, the "county") received requests from different requestors for body worn camera recordings pertaining to a specified incident.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information consists of officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

---

<sup>1</sup>You state the county sought and received clarification of the information requested from one of the requestors. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the first requestor does not provide the requisite information under section 1701.661(a). As the first requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, the county need not release this information to the first requestor.<sup>2</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). As the second requestor did provide the requisite information under section 1701.661(a), we will address your argument against disclosure of the submitted information with respect to the second requestor.

Section 552.108(a) of the Government Code exempts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal case. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the county may withhold the submitted information from the second requestor under section 552.108(a)(1) of the Government Code.

In summary, the first requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, the county need not release this information to the first requestor. The county may withhold the submitted information from the second requestor under section 552.108(a)(1) of the Government Code.

<sup>2</sup>As we are able to make this determination, we need not address your argument against disclosure of this information with respect to the first requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
