ATTORNEY GENERAL OF TEXAS

Ms. Charla Thomas  
Assistant City Attorney  
City of Temple  
2 North Main Street, Suite 308  
Temple, Texas 76501

OR2019-18230

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 773217.

The City of Temple (the "city") received a request for ten categories of information pertaining to a specified accident. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Initially, we note the city has only submitted information responsive to one of the ten categories of the request for information. To the extent any information responsive to the remaining portions of the request existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

Code § 552.101. The submitted information consists of video recordings from city police officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review, we find the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the submitted body worn camera recordings. We understand the recordings at issue were required to be made by law or the policies of the city's police department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). However, section 1701.661(f) provides:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). Upon review, we find portions of the submitted video recordings were made in a private space. *See id.* § 1701.651(3) (defining "private space" for purposes of section 1701.661(f)). Furthermore, the city states the recordings at issue are body worn camera recordings involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. The city states it does not have written authorizations for release from the subjects of the portions of the recordings made in the private space or all the subjects of the remaining portions of the recordings. *See id.* § 1701.661(f). Accordingly, the submitted body worn camera recordings are confidential and must be withheld in their entireties under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
