Mr. Mark G. Mann  
Senior Assistant City Attorney  
City of Garland  
P.O. Box 469002  
Garland, Texas 75046-9002

OR2019-18318

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 781179 (City ID# GCA19-0489).

The Garland Police Department (the "department") received a request for information pertaining to a specified incident. You state you released some information to the requestor, including the CR-3 accident report pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). You also state you are withholding some of the submitted information pursuant to Open Records Letter No. 2017-22182 (2017).<sup>1</sup> You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requested information contains department body worn camera video recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code.

---

<sup>1</sup>Open Records Letter No. 2017-22182 authorizes the department to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001).

Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a) for some of the submitted body worn camera video. As the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>2</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). Further, we note the requestor provided the requisite information under section 1701.661(a) for the remaining body worn camera video. Accordingly, the requestor properly requested a portion of the submitted body worn camera video, and we will consider the department’s argument against disclosure of this information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to an active criminal investigation or prosecution. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.

---

<sup>2</sup>As we are able to make this determination, we need not address the argument against disclosure of this information.

In summary, as the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
