ATTORNEY GENERAL OF TEXAS

Ms. Karen Stack
Deputy City Secretary
City of Brenham
P. O. Box 1059
Brenham, Texas 77834-1059

OR2019-18338

Dear Ms. Stack:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 773320.

The City of Brenham (the "city") received a request for a specified contract and a specified billing invoice. You state the city will release some information. Although you take no position as to whether the submitted information is excepted from disclosure, you state release of this information may implicate the proprietary interests of Frontier Access, L.L.C. and Waste Connections Lone Star, Inc. Accordingly, you notified these third parties of the request for information and of each company's right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received arguments from either of the third parties. Thus, the third parties have not demonstrated the companies have protected proprietary interests in any of the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by

specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interests any of the third parties may have in the information. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
