Assistant City Attorney
City of Plano
P.O. Box 860358

OR2019-18345

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 773401 (Plano File No. FIN19-002).

The City of Plano (the "city") received a request for information pertaining to uncashed or outstanding checks issued during a specified time.¹ You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statutes, such as section 402.083 of the Labor Code. Section 402.083 provides, in part, "[i]nformation in or derived from a claim file regarding an employee is confidential and may not be disclosed by the [Division of Workers' Compensation for the Texas Department of Insurance (the "division")] except as provided by this subtitle or other law." Labor Code § 402.083(a). In Open Records Decision No. 533 (1989), this office construed the predecessor to section 402.083(a) to apply only to information the governmental body obtained from the Industrial Accident Board, subsequently the Texas Workers' Compensation Commission, and now the division. *See* ORD 533 at 3-6; *see also* Labor Code § 402.086 (transferring confidentiality conferred by section 402.083(a) of the Labor Code to information other parties obtain from

¹We note the city sought clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request).

division files). Additionally, this office has interpreted section 402.083 to generally protect only that “information in or derived from a claim file that explicitly or implicitly discloses the identities of employees who file workers’ compensation claims.” *See* Open Records Decision No. 619 at 10 (1993). However, we also have stated, “[w]hether specific information implicitly discloses the identity of a particular employee must be determined on a case-by-case basis.” *Id.* Based on this analysis, we find information in the possession of the city that was not obtained from the division may not be withheld on the basis of section 402.083 of the Labor Code. Although the city asserts some of the submitted information is confidential pursuant to section 402.083, the city provides no representation, and the documents do not reflect, the city received these records from the division. Therefore, the city has failed to demonstrate the applicability of section 402.083 to any of the information at issue. Thus, the city may not withhold any of the information at issue under section 552.101 of the Government Code in conjunction with section 402.083(a) of the Labor Code. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
