Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 774136.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for all dispatch logs and certain video recordings pertaining to a specified incident. The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Initially, we note the sheriff's office has not submitted information responsive to the request for dispatch logs. To the extent any information responsive to this portion of the request existed on the date the sheriff's office received the request, we assume the sheriff's office has released it. If the sheriff's office has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the submitted video recordings

include motor vehicle record information. In this instance, the sheriff's office states it does not possess the technological capability to redact information from video files. Thus, we agree the sheriff's office must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code.¹ See Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
