ATTORNEY GENERAL OF TEXAS

Ms. Amanda Ruddy
Deputy City Cleark
City of Wichita Falls
P.O. Box 1431
Wichita Falls, Texas 76307

OR2019-18550

Dear Ms. Ruggy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 774080 (ORR# 399).

The City of Wichita Falls (the "city") received a request for a specified incident report. The city claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.¹

Initially, we must address the procedural obligations of the city under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would

¹We note the information at issue contains a social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147(b).

allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The city received the request for information on April 1, 2019. Thus, the city's ten-business-day deadline under section 552.301(b) was April 15, 2019, and its fifteen-business-day deadline under section 552.301(e) was April 22, 2019. However, the city did not request a ruling from this office or submit the information at issue until April 30, 2019. Therefore, the city failed to comply with the procedural requirements mandated by section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will address the applicability of these sections to the information at issue.² However, we find the city has failed to establish a compelling reason to address section 552.108 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. This section encompasses the Medical Practice Act (the “MPA”), subtitle B of title 3 of the Occupations Code. *See Occ. Code* §§ 151.001-168.202. Section 159.002 of the MPA provides in relevant part the following:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 at 3-4 (1988), 370 at 2 (1983), 343 at 1 (1982). Upon review, we find some of the submitted information, which we have marked, constitutes medical records. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in the *Industrial Foundation* decision. *Id.* at 683. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the submitted date of birth under section 552.101 of the Government Code in conjunction with common-law privacy. We also find some of the remaining information, which we have marked, satisfies the standard articulated by the Texas Supreme Court in the *Industrial Foundation* decision. Accordingly, the city must also withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the following: (1) the information we have marked under section 552.101 of the Government Code in conjunction with the MPA; (2) the submitted date of birth and the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy; and (3) the information we have marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
