Ms. Ann-Marie Sheely  
Assistant County Attorney  
Travis County Attorney's Office  
P.O. Box 1748

OR2019-18608

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 778446 (ORR# 703663-1).

The Travis County Sheriff's Office (the "sheriff's office") received a request for video and audio recordings and a property inventory related to a specified case. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the sheriff's office claims and reviewed the submitted information.

Initially, we note the requestor seeks only video and audio recordings and the property inventory related to the specified case. The sheriff's office has submitted documents that contain information beyond these specific pieces of information. Thus, the portions of the submitted documents that do not consist of the information requested are not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable

to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The sheriff's office states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude release of the information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the sheriff's office may withhold the responsive information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
