Mr. Zachary Brown  
Assistant City Attorney  
City of Austin  
P. O. Box 1088  
Austin, Texas 78767

OR2019-18658

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 774452 (ORR# X002605).

The City of Austin (the "city") received a request for personnel information pertaining to a named employee. The city claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 143.089 of the Local Government Code. We understand the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a fire fighter's civil service file that the civil service director is required to maintain, and an internal file that the department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a fire department investigates a fire fighter's misconduct and takes disciplinary action against the fire fighter, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the fire fighter's civil service file maintained under

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

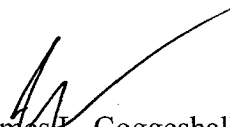

section 143.089(a). *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a fire fighter’s misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. See Local Gov’t Code §§ 143.051-.055. Such records are subject to release under the Act. See *id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a document relating to a fire fighter’s alleged misconduct may not be placed in the fire fighter’s civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. Local Gov’t Code § 143.089(b). Information that reasonably relates to a fire fighter’s employment relationship with the department and that is maintained in a department internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

The city informs us the submitted information pertains to investigations that did not result in disciplinary action against a fire fighter. The city states this information is maintained in the fire department’s internal files concerning the named fire fighter. Based on these representations and our review of the documents at issue, we agree this information is confidential pursuant to section 143.089(g) of the Local Government Code and the city must withhold it under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
