Ms. Frances R. Broussard
General Counsel
Spring Branch Independent School District

OR2019-18757

Dear Ms. Broussard:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 773148.

The Spring Branch Independent School District (the "district") received four requests from different requestors for information pertaining to a specified request for proposals. You state you do not have information responsive to some categories of the requests.¹ You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You represent the information at issue pertains to an ongoing competitive bidding situation. You state a final contract has not been awarded. In addition, you state the release of the information at issue would negatively impact

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

negotiations between the district and the selected bidder. Further, you argue release of the responsive information would negatively impact the proposals and competition among future bidders' offers. After review of the information at issue and consideration of the arguments, we find the district has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the district may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
