OR2019-18908

Dear Ms. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782173 (PIR# PIA-19-145).

The City of Taft (the "city"), which you represent, received a request for information pertaining to the requestor. You state you released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 611 of the Health and Safety Code. Section 611.002 pertains to mental health records and provides, in pertinent part,

(a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.

(b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b); *see id.* § 611.001 (defining "patient" and "professional"). Section 611.001 defines a "professional" as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Sections 611.004 and 611.0045 provide for access to mental health records only by certain individuals. *See id.* §§ 611.004, .0045; *see also* Open Records Decision No. 565 (1990). Upon review, we find a portion of the remaining information, which we marked, consists of a mental health record that is

subject to chapter 611 of the Health and Safety Code. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.<sup>1</sup>

Section 552.101 of the Government Code also encompasses information other statutes make confidential. The remaining information consists of L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by TCOLE. These forms are confidential under section 1701.306 of the Occupations Code, which is encompassed by section 552.101 of the Government Code. Section 1701.306 provides the following:

(a) The commission may not issue a license to a person unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to the commission. A declaration is not public information.

Occ. Code § 1701.306(a)-(b). Therefore, the city must withhold the submitted L-2 and L-3 declaration forms under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code. The city must withhold the submitted L-2 and L-3 declaration forms under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.
