

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

July 15, 2019

Mr. W. Montgomery Meitler  
Senior Counsel  
Texas Education Agency  
1701 North Congress Avenue  
Austin, Texas 78701-1494

OR2019-19137

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775319 (TEA PIR# 37994).

The Texas Education Agency (the "agency") received a request for information provided by the Rockwall Independent School District concerning the investigation of the requestor's client, a named educator. The agency states it is withholding student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.<sup>1</sup> The agency claims the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions the agency claims and reviewed the submitted representative sample of information.<sup>2</sup>

---

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses section 21.062 of the Education Code, which provides, in part, the following:

(a) During an investigation by the [C]ommissioner [of Education (the “commissioner”)] of an educator for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

...

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

Educ. Code § 21.062(a)(2), (d). The agency states some of the submitted information, which it has indicated, relates to an investigation of an educator by the commissioner for an alleged incident of misconduct. The agency further states the information at issue was submitted to the agency in response to a subpoena issued by the commissioner. Based on these representations, we agree the agency must withhold the information it indicated under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person’s office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). See ORD 551.

The agency informs us the information it has indicated relates to an open investigation of allegations an educator engaged in inappropriate conduct. The agency states the alleged misconduct may require the agency to file a petition for sanctions against the educator pursuant to provisions of the Education Code and title 19 of the Texas Administrative Code. See Educ. Code §§ 21.031(a) (agency shall regulate and oversee standards of conduct of public school educators), .041(b) (agency shall propose rules providing for disciplinary proceedings); 19 T.A.C. §§ 247.2, 249.15(c). The agency explains if the educator files an answer to the petition, the matter will be referred to the State Office of Administrative Hearings for a contested case proceeding. See 19 T.A.C. § 249.18. The agency states such proceedings are governed by the Administrative Procedure Act (the "APA"), chapter 2001 of the Government Code. See Educ. Code § 21.041(b)(7); 19 T.A.C. § 249.4(a)(1); Open Records Decision No. 588 (1991) (contested case under APA constitutes litigation for purposes of statutory predecessor to Gov't Code § 552.103). Based on these representations and our review, we determine the agency reasonably anticipated litigation when it received the request for information. Furthermore, the agency explains the information at issue was compiled for the purpose of investigating the alleged educator misconduct. Upon review, we agree the information the agency has indicated relates to the anticipated litigation. We, therefore, conclude the agency may withhold the information it has indicated under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) of the Government Code interest exists with respect to that information. See Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the anticipated litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).

In summary, the agency must withhold the information it has indicated under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code. The agency may withhold the information it has indicated under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
