Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775527 (OGC # 790266).

The University of Texas Southwestern Medical Center (the "university") received a request for specified communications during a defined period of time. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. Additionally, you state release of the submitted information may implicate the interests of the Texas State Board of Pharmacy (the "board"). See Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the board. We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. (b) Information or material compiled by the board in connection with an investigation, including an investigative file of the board, is confidential and not subject to:

- (1) disclosure under Chapter 552, Government Code; or
- (2) any means of legal compulsion for release, including disclosure, discovery, or subpoena, to anyone other than the board or a board employee or board agent involved in discipline of a license holder.

(c) Notwithstanding Subsection (b), information or material compiled by the board in connection with an investigation may be disclosed:

- (1) during any proceeding conducted by the State Office of Administrative Hearings, to the board, or a panel of the board, or in a subsequent trial or appeal of a board action or order;
- (2) to a person providing a service to the board, including an expert witness, investigator, or employee of an entity that contracts with the board, related to a disciplinary proceeding against an applicant or license holder, or a subsequent trial or appeal, if the information is necessary for preparation for, or a presentation in, the proceeding;
- (3) to an entity in another jurisdiction that:
 - (A) licenses or disciplines pharmacists or pharmacies; or
 - (B) registers or disciplines pharmacy technicians or pharmacy technician trainees;
- (4) to a pharmaceutical or pharmacy peer review committee as described under Chapter 564;
- (5) to a law enforcement agency;
- (6) to a person engaged in bona fide research, if all information identifying a specific individual has been deleted; or
- (7) to an entity that administers a board-approved pharmacy technician certification examination.

Occ. Code § 565.055. You, and the board, state the submitted information was compiled by the board in connection with an investigation of an alleged violation of the Texas Pharmacy

Act or board rule. You, and the board, inform us the requestor is not entitled to this information pursuant to section 565.055(c). Therefore, based on the submitted representations and our review, we find the submitted information is confidential under section 565.055(b) of the Occupations Code, and must be withheld under section 552.101 of the Government Code. *See* Open Records Decision No. 474 at 2-3 (1987) (construing predecessor statute).
