Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775340.

You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Information contained in alarm systems records maintained by a governmental body that concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used is confidential and may be disclosed only to the [Texas Private Security Board], to the alarm company to which the confidential records relate, or as otherwise required by state law or court order.

Occ. Code § 1702.284(a); *see also id.* § 1702.002(1)(A)(ii) (defining “alarm system” as electronic equipment and devices designed to detect or signal the occurrence of a robbery or other emergency). Upon review, we find the types of information you marked and the types of information we marked consists of information made confidential by section 1702.284. Accordingly, the city must withhold the types of information you marked and the types of information we marked under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code.
