

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 17, 2019

Ms. Ileana Fernandez
Assistant City Attorney
City of Mesquite
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2019-19429

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775720.

The City of Mesquite (the "city") received a request for (1) the names of certain administrative adjudication hearing officers during a specified time period; (2) the number of hearings held by a named individual during a specified time period; (3) the names and addresses of individuals that paid a certain amount for red light camera tickets during a specified time period; and (4) the number of certain red light camera tickets issued during a specified time period for which the individual requested an administrative adjudication hearing. You state the city will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code, which provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The information at issue, which we marked, consists of information in an account, contract, or voucher relating to the receipt or expenditure of funds by the city that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* Although you seek to withhold the information subject to section 552.022(a)(3) under section 552.103 of the Government Code, this section is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the city may not withhold the information subject to section 552.022(a)(3) under section 552.103 of the Government Code. As you raise no further exceptions to disclosure of this information, the city must release the information we marked pursuant to section 552.022(a)(3) of the Government Code.

Section 552.103 of the Government Code provides, in part, the following:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). See ORD 551.

You argue the remaining information is related to pending litigation against the city. The city states, and provides documentation showing, prior to its receipt of the instant request, a lawsuit styled *Watson v. City of Allen*, Cause No. 153-278080-15, was filed and is currently pending against the city in the District Court of Tarrant County, Texas. Therefore, we agree litigation was pending on the date the city received the present request for information. The city also states the information at issue is related to the pending lawsuit. Based upon these representations and our review, we find the information at issue is related to the pending litigation. Accordingly, we conclude the city may withhold the remaining information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 at 3 (1982).

In summary, the city must release the information we marked pursuant to section 552.022(a)(3) of the Government Code. The city may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
