ATTORNEY GENERAL OF TEXAS

July 17, 2019

Mr. Ty Taylor
Counsel for Texas Christian University
McDonald Sanders, P.C.

Fort Worth, Texas 76102

OR2019-19431

Dear Mr. Taylor:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 774327.

The Texas Christian University Police Department (the "department"), which you represent, received a request for a specified report and any video recordings related to the report. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to a closed case that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the remaining information. We note, pursuant to the court's decision in *City of Carrollton v. Paxton*, 490 S.W.3d 187 (Tex. App.—Austin 2016, pet. denied), and the department's briefing, section 552.108(c) of the

Government Code is not applicable in this instance. Therefore, the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
