

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

July 18, 2019

Ms. Brittaney N. Davis  
Assistant City Attorney  
City of Fort Worth  
200 Texas Street, Third Floor  
Fort Worth, Texas 76102

OR2019-19593

Dear Ms. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775743 (City PIR No. W084239).

The City of Fort Worth (the "city") received a request for information pertaining to a specified incident. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. Additionally, you state, and provide documentation showing, you notified the next of kin of a deceased individual of the right to submit comments to this office why the information at issue should not be released.<sup>1</sup> *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes police department body worn camera video. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

---

<sup>1</sup>As of the date of this letter, we have not received any comments from the notified individuals explaining why any portion of the submitted information should not be released.

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note, and you acknowledge, the city has not complied with the time periods prescribed by section 552.301 of the Government Code in seeking an open records decision from this office. *See* Gov’t Code § 552.301. Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Tarrant County District Attorney’s Office (the “district attorney’s office”) objects to the release of the information at issue, we will consider whether the city may withhold the remaining information under section 552.108 of the Government Code on behalf of the district attorney’s office.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and submit documentation demonstrating, the district attorney’s office objects to the release of the information at issue because it pertains to a pending criminal prosecution. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining

information. Accordingly, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.<sup>2</sup>

In summary, as the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
