

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 18, 2019

Ms. Mary King
Bastrop County Sheriff's Office
Bastrop County
200 Jackson Street
Bastrop, Texas 78602

OR2019-19614

Dear Ms. King:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775735.

The Bastrop County Sheriff's Office (the "sheriff's office") received two requests from the same requestor for information pertaining to a specified individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information contains a custodial death report. Article 49.18(b) of the Code of Criminal Procedure provides that with the exception of any portion of the custodial death report the Office of the Attorney General ("OAG") determines is privileged, the OAG shall make the report public. *See* Crim. Proc. Code art. 49.18(b). Although the sheriff's office claims the submitted custodial death report is excepted from disclosure under section 552.108 of the Government Code, the exceptions to disclosure found in the Act do not generally apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the sheriff's office

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

must release the submitted custodial death report pursuant to article 49.18(b) of the Code of Criminal Procedure.

Next, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of “information that is also contained in a public court record[,]” unless the information is expressly made confidential under the Act or other law. Gov’t Code § 552.022(a)(17). Although the sheriff’s office seeks to withhold this information under section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body’s interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the sheriff’s office may not withhold the court-filed documents, which we have marked, under section 552.108 and they must be released.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You inform this office, and provide documentation demonstrating, the Texas Rangers Division of the Texas Department of Public Safety (the “Texas Rangers”) objects to release of the remaining information because it relates to an active criminal investigation, and release of that information would interfere with the investigation of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining responsive information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See 531*

S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, which must be released, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

In summary, the sheriff's office must release the submitted custodial death report pursuant to article 49.18(b) of the Code of Criminal Procedure. The sheriff's office must release the information we marked pursuant to section 552.022(a)(17) of the Government Code. With the exception of basic information, which must be released, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
