Re: Request for information regarding incident involving two named individuals on 04/16/19 at a named location; Case# 19-14428.

Dear Mr. Bradley:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 778514.

Generally, the Act authorizes the Office of the Attorney General to render decisions and opinions in two situations. The first occurs when a governmental body receives a written request for information from an individual or entity acting as a member of the public and requests a ruling from this office because the governmental body wishes to withhold responsive information in accordance with one of the Act's exceptions to disclosure. The second situation occurs when this office issues materials, including detailed and comprehensive written decisions and opinions, that relate to or are based on the Public Information Act in order to maintain uniformity in the application, operation, and interpretation of the Public Information Act. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. We therefore consider this matter closed.
