Ms. LaNetra S. Lary  
Assistant County Attorney  
Fort Bend County

Dear Ms. Lary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782665.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, the sheriff's office asserts some the submitted information is excepted from disclosure under the Family Education Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code. However, FERPA is not applicable to law enforcement records maintained by a law enforcement agency that were created for law enforcement purposes. *See* 20 U.S.C. § 1232g(a)(4)(B)(ii); 34 C.F.R. §§ 99.3, .8. The submitted information consists of law enforcement records maintained and created by the sheriff's

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

office for a law enforcement purpose. Thus, no portion of the submitted information is subject to FERPA, and no portion of it may be withheld on that basis. *See* Gov't Code § 552.026 (incorporating FERPA into Act); Open Records Decision No. 539 (1990) (determining same analysis applies under section 552.114 of Government Code and FERPA).

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 of the Government Code encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear that any of the exceptions in section 58.008 apply. Accordingly, the sheriff's office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.<sup>2</sup>
