OR2019-20069

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 777889 (ORR# W264059).

The San Antonio Police Department (the "department") received a request for information pertaining to a specified accident. The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's photograph, social security number, driver identification number, name, and address, but does not include a zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Department of Public Safety ("DPS") is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). The department states some of the remaining information contains personal

information that it obtained from DPS. *See id.* § 730.007(a)(2)(A)(i) (personal information may be disclosed to government agency in carrying out its functions). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). We note the requestor has a right of access to his client's information pursuant to section 730.006 of the Transportation Code. *See id.* § 730.006 (personal information obtained by agency in connection with motor vehicle record shall be disclosed to requestor who demonstrates requestor has obtained written consent of the person who is subject of the information). Nevertheless, the department must withhold the remaining personal information, which we have marked, under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information is not confidential under section 730.004 or 730.013, and the department may not withhold it under section 552.101 on either of those grounds.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See Gov't Code* § 552.130. The department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. The department must also withhold the information we have marked under section 552.130 of the Government Code. The department must release the remaining information.²
