Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P. O. Box 839966  
San Antonio, Texas 78207

OR2019-20090

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 776525 (COSA File No. W262876).

The City of San Antonio (the "city") received a request for information pertaining to a specified accident. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's photograph, social security number, driver identification number, name, and address, but does not include a zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Texas Department of Public Safety ("DPS") is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). The city states the submitted information contains personal information that its police department obtained from DPS. *See id.* § 730.007(a)(2)(A)(i) (personal information may be disclosed to government agency in carrying out its functions). An authorized recipient of personal information may not re-disclose the personal information

and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). We note the requestor has a right of access to the information of the person he represents pursuant to section 730.006 of the Transportation Code. *See id.* § 730.006 (personal information obtained by agency in connection with motor vehicle record shall be disclosed to requestor who demonstrates requestor has obtained written consent of the person who is subject of the information). Nevertheless, the city must withhold the remaining personal information, which we have marked, under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information is not confidential under section 730.004 or 730.013, and the city may not withhold it under section 552.101 on either of those grounds.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov't Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his client's motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from him under section 552.130. *See* Gov't Code § 552.023 (a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Accordingly, the city must withhold the motor vehicle information we marked under section 552.130 of the Government Code.

We note the submitted information contains insurance policy numbers. Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b). This office has determined an insurance policy number is an access device number for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). The city must withhold the marked insurance policy numbers under section 552.136 of the Government Code.

In summary, the city must withhold the following; (1) the information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code; (2) the information we have marked under section 552.130 of the Government Code; and (3) the marked insurance policy numbers under section 552.136 of the Government Code. The city must release the remaining information.
