Ms. Lola Dada-Olley
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0358

OR2019-20238

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 776810 (Ref. No. PUR19-008).

The City of Plano (the "city") received a request for information pertaining to a specified contract. Although the city takes no position regarding whether the submitted information is excepted from disclosure, you state release of the information at issue may implicate the proprietary interests of Year Round Enterprises, Inc. d/b/a Year Round Christmas Lights ("Year Round"). Accordingly, you state, and provide documentation demonstrating, the city notified Year Round of the present request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Year Round explaining why the information at issue should not be released. Therefore, we have no basis to conclude Year Round has a protected proprietary interest in the information at

issue. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any portion of the submitted information on the basis of any proprietary interest Year Round may have in it.

We note the submitted information contains information subject to section 552.136 of the Government Code.¹ Section 552.136(b) provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a government body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Accordingly, the city must withhold all insurance policy numbers within the submitted information under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Blake Brennan
Attorney
