

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 24, 2019

Ms. Tonya Spaeth Ahlschwede
District Attorney
452nd Judicial District
P.O. Box 635
Mason, Texas 76856

OR2019-20242

Dear Ms. Ahlschwede:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 776823.

The 452nd Judicial District Attorney's Office (the "district attorney's office") received a request for information pertaining to eight named individuals and a specified cause number. You state the district attorney's office has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the obligations of the district attorney's office under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). The district attorney's office received the request for information on

May 3, 2019. You do not inform us the district attorney's office was closed for any business days between May 3, 2019, and May 24, 2019. Accordingly, you were required to provide the information required section 552.301(e) by May 24, 2019. However, the envelope in which the district attorney's office provided a copy of the written request for information was postmarked May 31, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the district attorney's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The district attorney's office claims section 552.108 of the Government Code for the submitted information. Upon review, we find you have failed to establish a compelling reason to address your claimed exception. However, sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness.¹ Therefore, we will address the applicability of sections 552.101 and 552.130 to the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the district attorney's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Accordingly, the district attorney's office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the district attorney's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy and the motor vehicle record information we marked under section 552.130 of the Government Code. The district attorney's office must release the remaining information.
