OR2019-20266

Dear Ms. Perez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 777137 (ORR# W001914-050119 and W001915-050119).

The El Paso Independent School District (the "district"), which you represent, received two requests from the same requestor for emails sent to or from two named individuals containing specified key words. You state you released some information. You state you have redacted student-identifying information from the submitted documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part, as follows:

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, *writ ref'd n.r.e.*); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

This office has long held "litigation," for purposes of section 552.103, includes "contested cases" conducted in a quasi-judicial forum. *See* Open Records Decision Nos. 474 (1987), 368 (1983), 336 (1982), 301 (1982). In determining whether an administrative proceeding is conducted in a quasi-judicial forum, some of the factors this office considers are whether the administrative proceeding provides for discovery, evidence to be heard, factual questions to be resolved, the making of a record, and whether the proceeding is an adjudicative forum of first jurisdiction with appellate review of the resulting decision without a re-adjudication of fact questions. *See* Open Records Decision No. 588 (1991).

You inform us, prior to the district's receipt of the instant request, district officials intended to recommend the requestor's termination to the district's board of trustees. You further explain the district anticipates the board of trustees will accept this recommendation and the requestor will subsequently exercise her right to an independent hearing conducted under chapter 21 of the Education Code. Section 21.256 of the Education Code provides that hearings requested under section 21.253 of the Education Code "shall be conducted in the same manner as a trial without a jury in a district court of [Texas]." Educ. Code § 21.256(e). Section 21.256 also specifically affords a teacher the right to be represented by a representative of the teacher's choice; the right to hear the evidence on which the charges are based; the right to cross-examine each adverse witness; and the right to present evidence. *See id.* § 21.256(c). Section 21.256(d) provides the Texas Rules of Evidence apply at the hearing. *See id.* § 21.256(d). We also note that, in a chapter 21 hearing, the hearing

examiner may issue subpoenas for the attendance of witnesses and the production of documents; an appeal of the proceedings to the commissioner of education is based only on the record of the local hearing; and in a judicial appeal of the commissioner's decision, the court must review the evidence pursuant to the substantial evidence rule. *Id.* §§ 21.255(a) (subpoena power of examiner), .301(c) (appeal based solely on local record), .307(e) (substantial evidence rule for judicial review). Therefore, based on the district's representations and our review, we determine a hearing under chapter 21 of the Education Code constitutes litigation for purposes of section 552.103. Consequently, we find that when the district received the instant request for information, litigation in the form of a hearing under chapter 21 of the Education Code was reasonably anticipated for the employee at issue. *See* ORD 301 (litigation includes contested case before administrative agency). We also find the information at issue is related to the anticipated litigation. Accordingly, the district may withhold the submitted information under section 552.103 of the Government Code.

We note, however, that the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Therefore, if the opposing party has seen or had access to information relating to anticipated litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103 ends once the litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
