OR2019-20269

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 777092 (City ID# W028697).

The City of Killeen (the "city") received a request for information related to a specified address during a specified time period. You state you have released some information to the requestor. You state you will redact some information pursuant to section 552.136(c) of the Government Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses section 182.052 of the Utilities Code, which provides in relevant part, the following:

¹Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

(a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). Water service is included in the scope of utility services covered by section 182.052. *Id.* § 182.051(3). "Personal information" under section 182.052(a) includes an individual's address, telephone number and social security number, but does not include the individual's name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). A customer's request for confidentiality must precede the utility's receipt of the request for information. ORD 625 at 6.

The city asserts the submitted information contains water-usage and personal information of a utility customer who has made a written request for confidentiality for his personal information. We understand the primary source of water for the city's utility services is not a sole-source designated aquifer. There is also no indication the exceptions listed in section 182.054 apply. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 182.052(a) of the Utilities Code. However, the remaining information is not confidential under section 182.052(a), and the city may not withhold it under section 552.101 on that ground. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
