Mr. Joseph Behnke  
Assistant General Counsel and  
Public Information Coordinator  
Office of the Governor  
P.O. Box 12428

OR2019-21062

Dear Mr. Behnke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 780999 (OOG ID# 221-19).

The Office of the Governor (the "OOG") received a request for specified plans over a stated time period. Although the OOG takes no position as to whether the submitted information is excepted under the Act, the OOG states release of the submitted information may implicate the interests of Circuit of the Americas, the City of Fort Worth, and the San Antonio Local Organizing Committee. Accordingly, the OOG states, and provides documentation showing, it notified these third parties of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code §§ 552.304 (interested party may submit comments stating why information should or should not be released),<sup>1</sup> .305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to

<sup>1</sup>As of the date of this letter, this office has not received comments from any third party explaining why any of the submitted information should not be released.

why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the OOG may not withhold the submitted information on the basis of any proprietary interest any third party may have in the information. As no exceptions to disclosure have been raised, the OOG must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
