ATTORNEY GENERAL OF TEXAS

August 1, 2019

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P O Box 839966
San Antonio, Texas 78207

OR2019-21254

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 778267.

The San Antonio Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information, some of which is a representative sample.¹

Initially, we note some of the submitted information is not responsive to the present request because it does not pertain to the incident specified by the requestor. This ruling does not address the public availability of the non-responsive information, which we indicated, and the department need not release it in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses chapter 772 of the

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. You state the department is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the department must withhold the telephone numbers you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone numbers provided by a 9-1-1 service supplier, the department may not withhold the information at issue under section 552.101 in conjunction with section 772.218.

Section 552.101 of the Government Code also encompasses information protected by section 730.004 of the Transportation Code, which provides “an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record.” Transp. Code § 730.004. “Personal information” means “information that identifies a person,” and includes a person’s photograph, social security number, driver identification number, name, address but not zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Texas Department of Public Safety (“DPS”) is an “agency” for purposes of chapter 730. *See id.* § 730.003(1) (“agency” is state agency that compiles or maintains motor vehicle records). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). You assert the information you marked is confidential personal information as defined under section 730.004 and 730.013 of the Transportation Code. Upon review, we agree the department must withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, we find the remaining information you marked is not confidential under section 730.004 or 730.013 of the Transportation Code and the department may not withhold the remaining information at issue under section 552.101 of the Government Code on that basis.

We note some of the remaining responsive information is subject to section 552.130 of the Government Code.² Section 552.130 provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the department must

withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 (2009). Accordingly, the department must withhold the insurance policy number we marked under section 552.136 of the Government Code.

In summary, the department must withhold the telephone numbers you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. The department must withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must withhold the insurance policy number we marked under section 552.136 of the Government Code. The department must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
