August 2, 2019

Mr. Mark Kratovil
Assistant Criminal District Attorney
County of Tarrant

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 784539.

The Tarrant County Administrator's Office (the "county") received a request for information pertaining to a named inmate. You argue pursuant to section 552.028 of the Government Code, you need not comply with the request for information. We have considered the submitted argument and reviewed the submitted information.

Section 552.028 of the Government Code provides in part the following:

(a) A governmental body is not required to accept or comply with a request for information from:

- (1) an individual who is imprisoned or confined in a correctional facility; or
- (2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

(c) In this section, "correctional facility" means:

- (1) a secure correctional facility, as defined by Section 1.07, Penal Code;
- (2) a secure correctional facility and a secure detention facility, as defined by Section 51.02, Family Code; and
- (3) a place designated by the law of this state, another state, or the federal government for the confinement of a person arrested for, charged with, or convicted of a criminal offense.

Gov't Code § 552.028(a)-(c). In this instance, the requestor is an incarcerated individual. Based on our review of the submitted documents, we agree pursuant to section 552.028 of the Government Code, the county need not accept or comply with the request for information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
