

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 2, 2019

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2019-21428

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 785340.

The Conroe Police Department (the "department") received a request for all information related to a specified automotive accident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the requisite information under section 1701.661(a) for some of the body worn camera recordings at issue. As these body worn camera recordings were properly requested pursuant to chapter 1701 of the Occupations Code, we will address your argument against their disclosure, as well as the remaining information. However, the requestor did not give the requisite information under section 1701.661(a) for the remaining body worn camera recordings at issue. As the requestor did not properly request the remaining body worn camera recordings, pursuant to chapter 1701, our ruling does not reach this information, and it need not be released to the requestor.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(2) of the Government Code exempts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining information pertains to a concluded investigation that did not result in conviction or deferred adjudication. Based on your representation and our review, we agree section 552.108(a)(2) is applicable to the information at issue. Accordingly, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request some of the body worn camera recordings pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and it need not be released. The department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

¹As we are able to make this determination, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
