Senior Associate General Counsel
Texas Tech University System

OR2019-21595

Dear Mr. Wall:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 778483.

Texas Tech University (the "university") received a request for information pertaining to the installation of a scoreboard at the university's basketball arena. Although you take no position regarding whether the submitted information is excepted from disclosure, you state release of the submitted information may implicate the proprietary interests of Anthony James Partners. Accordingly, you state, and provide documentation showing, you notified Anthony James Partners of the request and of its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from Anthony James Partners. Thus, we have no basis to conclude Anthony James Partners has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by

specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university may not withhold any of the submitted information on the basis of any proprietary interest Anthony James Partners may have in the information.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 of the Government Code encompasses section 6103(a) of title 26 of the United States Code. Prior decisions of this office have held section 6103(a) of title 26 of the United States Code renders federal tax return information confidential. *See* Attorney General Opinion H-1274 (1978) (tax returns); Open Records Decision No. 600 (1992) (W-4 forms). Section 6103(b) defines the term “return information” as “a taxpayer’s identity, the nature, source, or amount of his income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability, tax withheld, deficiencies, overassessments, or tax payments . . . or any other data, received by, recorded by, prepared by, furnished to, or collected by the Secretary [of the Treasury] with respect to a return or with respect to the determination of the existence, or possible existence, of liability . . . for any tax, penalty, interest, fine, forfeiture, or other imposition, or offense[.]” *See* 26 U.S.C. § 6103(b)(2)(A). Federal courts have construed the term “return information” expansively to include any information gathered by the Internal Revenue Service regarding a taxpayer’s liability under title 26 of the United States Code. *See Mallas v. Kolak*, 721 F. Supp. 748, 754 (M.D.N.C. 1989), *aff’d in part*, 993 F.2d 1111 (4th Cir. 1993). Thus, the submitted form 1065, which we marked, constitutes tax return information that is confidential under section 6103(a) of title 26 of the United States Code, and the university must withhold the form 1065 we marked under section 552.101 of the Government Code

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684. Accordingly, the university must withhold the insurance policy numbers in the remaining information under section 552.136 of the Government Code.

In summary, the university must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 6103(a) of title 26 of the United States Code. The university must withhold the insurance policy numbers in the remaining

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

information under section 552.136 of the Government Code. The university must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
