Texas Department of Transportation

OR2019-22078

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 779763.

The Texas Department of Transportation (the "department") received a request for all documents and correspondence relating to a named individual's termination during a specified time period. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(a) of the Government Code excepts from disclosure "[information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body has custody of information that would otherwise qualify for exception

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

under section 552.108 as information relating to the pending case of another law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. However, we note section 552.108 is generally not applicable to records of an internal investigation that is purely administrative in nature and does not involve the investigation or prosecution of crime. See *City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.-Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.-El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution).

You inform us the United States Department of Transportation Office of the Inspector General (the "OIG") objects to disclosure of the submitted information because its release would interfere with an ongoing criminal investigation. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the OIG.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
